Independent accommodation

Independent rental can be a great option once you know your way around Adelaide. It can also be less expensive, particularly if you're sharing with other people.

Visit www.realestate.com.au and select 'rent'.

Be careful that you fully understand the terms of an independent rental contract. This type of accommodation is not arranged by Eynesbury. We do not recommend independent rental unless you're already living in Adelaide and feel confident to find your own accommodation.

- $200+ per week for 1 bedroom, 1 bathroom.
  $400+ for a larger house.
- Most rental properties are not furnished. You will need to buy furniture, cutlery, crockery, bed linen, towels and electrical equipment. You will also need to cover the cost of the electricity, gas and water for the house, plus your own food costs and public transport (if in suburban area).

All priced in AUD$. All accommodation types require a bond to be paid. This is usually equal to 2 - 4 weeks' rent. The bond is a separate payment and is not the same thing as paying rent in advance. For independent rental the bond is lodged with the State Government and will be reimbursed when you move out, provided there is no damage to the property and no outstanding rent or bills. You also need to give a minimum amount of notice if you decide to leave your accommodation. *Prices are current at the time of printing and may be subject to change.
